

yourIT: Employee Self-Service

You can now initiate your own 24-hour PIV exemption!

What is Employee Self-Service?

- » A method to access the self-service options of the yourIT Service Portal from outside of the VA network.
- » It is available from any internet connected device.
- » It is designed to return you to full operations as fast as possible.

What services are currently available?

- » PIV cardholders (almost all employees) can initiate an immediate 24-hour PIV Exemption, for situations such as accidentally leaving your PIV at home.
- » VA Network Account Password Reset is available for those who use a password to access their VA account due to mission-specific requirements.

Who do I contact with questions?

- » If you need assistance using Employee Self-Service, call the ESD at (855) 673-4357.

How do I find it?

- » Navigate to access.va.gov from an internet connected device.
 - Click to expand "I am a VA Employee or Authorized Contractor"
 - Click on Employee Self-Service
 - Sign in or register with ID.me
 - Follow instructions on screen

- » Registration takes only a few minutes to complete
- » If you have trouble while registering your ID.me account, please visit va.id.me.
- » You will need an internet connected computer or a smartphone. Personal devices are okay to use.

What is ID.me?

- » ID.me is used by VA for identity verification.
- » VA also offers ID.me to Veterans to access VA resources through access.va.gov.

Frequently Asked Questions about ID.me

Q: Can you use an ID.me account created for another service to access Employee Self-Service?

A: Yes.

Q: Do I need to use my VA email to register with ID.me?

A: No, you must use a personal email. If you are locked out of your VA account and were to use your VA email, you wouldn't be able to get the confirmation code, since email validation is required for registration.

Q: Does ID.me validate that I am a VA employee or authorized contractor?

A: Yes, ID.me is a VA-trusted identity verification partner.
